

# Direct Debit

## Strata Water Solutions

If you pay accounts by credit card, you may be interested in the direct debit option for future SWS accounts. Direct Debit will avoid the need to call up to pay your account or even worry about the payment at all.

Once set up you will only be sent accounts as receipts and a total due of \$0.00. Please note these receipts can ONLY be emailed to you, so you must provide us with an email address to get direct debit.

To register for direct debit just fill in the form below and post, or scan and email it back to us. Please Note: Bank charges do apply – Currently 1.68%
